INTRODUCTION

St. Vincent-St. Mary High School is a Catholic independent school dedicated to the Christian development of its students. All aspects of the school's curriculum attempt to integrate subject-content into a Christian framework.

Students are encouraged to develop a desire for truth and to consistently further their own maturity as Christians through a creative blend of freedom and discipline. Each student is directed towards personal growth and full participation in a democratic society.

MISSION STATEMENT

In the spirit of the Gospel, we are committed to educate the whole person to lead and to serve: enlightening the mind, developing the body, touching the heart, and inspiring the soul.

STATEMENT OF BELIEFS

1. We believe that the purpose of Catholic education is to teach Christian values so that students may become living witnesses of the Gospel.
2. We believe that each student should be challenged to develop his or her potential and should be prepared for college and life.
3. We believe that instruction should reflect Catholic principles and teachings and be tailored to the needs of students and the nature of the subject matter.
4. We believe that curriculum must be current, must be compliant with State of Ohio, OCSAA, Diocesan, and NCA mandates, and must challenge students of all levels of ability.
5. We believe that assessment of student performance should be consistent and fair, providing for multiple learning styles.
6. We believe in continuous improvement in terms of both student performance and institutional performance through the OCSAA/NCA processes.
7. We believe that leadership should generate from the Executive Board, Administration, and teachers, all of whom are role models and committed to ongoing professional development.
8. We believe that community-building in the school should foster a family atmosphere, emphasize the school's traditions, and promote appreciation and respect for diversity.
9. We believe that students should learn to lead and to serve others in the spirit of the Gospel.
10. We believe that faith formation is a lifetime journey beginning at home and nurtured by the school.

ST. VINCENT-ST. MARY CREED

As a student of the St. Vincent-St. Mary family and a unique child of God, I will strive to uphold the dignity of all creation by acting justly, loving tenderly, using my God-given talents, and walking humbly with God. Each of us plays an important role in our school, our community, and our Church. The future is our legacy: we carry it in our heads, our hands, and our hearts.

HISTORY

In 1972, two of the Akron area's most respected Catholic institutions, St. Vincent High School and St. Mary High School, merged to form the present St. Vincent-St. Mary High School. Building on the rich and valued legacy of the former schools, St. Vincent-St. Mary has emerged as an outstanding Catholic coeducational institution offering rigorous academic and religious educational program for grades nine through twelve.

In July of 1991, St. Vincent-St. Mary High School became an independent Catholic institution under the governance of a Board of Trustees responsible for its financial viability and future growth. St. Vincent-St. Mary High School remains accountable to the Diocese of Cleveland and to the Bishop of Cleveland for our Catholic programs. Our history of spiritual, academic, and athletic challenges offers a Choice for Excellence.

SCHOOL RELIGIOUS LIFE

CAMPUS MINISTRY

The Campus Ministry program is designed to assist in the development of the student's spiritual and personal values of maturity. Through various activities such as retreats, Peer Ministry activities, the Sacramental program, etc., our students are given the opportunity to express their faith in the community of St. Vincent-St. Mary High School and the City of Akron. The design of the Campus Ministry program is to strengthen our students' relationship with God, engage our students in programs that build community involvement, increase their personal awareness of the

gifts and talents they can share with others, and enable them to serve others in a spirit of gospel charity.

EUCCHARIST

It is the belief of St. Vincent-St. Mary High School and the Catholic community that the celebration of the liturgy unites us as a believing community and strengthens us to witness our faith to others. The school community gathers for weekly celebrations, Holy Days of Obligation, and special occasions throughout the school year to celebrate the Eucharist as a community of faith. **Attendance at school liturgies is mandatory for all students.**

Guidelines for receiving Communion for other Christians: It is a consequence of the sad divisions in Christianity that we cannot extend a general invitation to all Christians to receive Communion. Catholics believe that the Eucharist is an action of the celebrating community signifying oneness in faith, life, and worship of the community. Reception of the Eucharist by Christians not fully united with the Roman Catholic Church would imply oneness which does not yet exist and for which we must all pray.

Guidelines for Non-Christians: All students are required to attend our school-sponsored liturgies. The Roman Catholic Church cannot extend to non-Christian students an invitation to receive communion. Non-Christians are invited to use the worship service as a time of prayer and reflection.

DAILY PRAYER

As part of our morning announcements, the students will stand and join together for the recitation of a Morning Prayer and the Pledge of Allegiance.

The St. Vincent-St. Mary Chapel is open to all students, parents, and faculty for individual or small group prayer at any time. The Blessed Sacrament is present in the chapel.

PRAYER BEFORE CLASS

Prior to any academic instruction in a class period, the teacher will either lead or provide students with the opportunity to lead the class in prayer. This prayer may be said by the individual or by the class in unison.

SACRAMENT OF RECONCILIATION

During the liturgical seasons of Advent and Lent, students will have the opportunity to celebrate the Sacrament of Reconciliation.

LITURGY COMMISSION

The Liturgy Commission is composed of students and faculty who plan liturgies celebrated throughout the year. Participation on the commission provides the opportunity to take an active role in the liturgy in the following ways:

- Eucharistic Ministers-to assist with the distribution of Holy Communion

- Acolytes-to assist at the altar
- Lectors-to proclaim the Word at the Liturgy
- Musicians-to assist community participation as a member of the choir.

RIGHT TO LIFE

Students are encouraged to strengthen their commitment to respecting life at all levels by participating in this organization. Students engage in letter writing, marches, school assemblies, and other activities dealing with protection and respect for all human life.

ST. BRIGID'S FIRE

Inspired by the fire of St. Brigid's love and empowered by the Light of Christ, the members of St. Brigid's Fire Service and Justice Club strive to be a beacon of hope to the hopeless, reaching out with love to embrace the vulnerable among us today. Students seek opportunities to make a difference through direct service and indirect action on behalf of the poor, the marginalized, the lonely, the ill, the aged, and the oppressed members of God's family.

ST. JOSEPH OF ARIMATHEA SOCIETY

The St. Joseph of Arimathea Society endeavors to honor the life and dignity of the human person by fulfilling our obligation to perform the Corporal Work of Mercy of burying the dead. The Society does this by offering pallbearer services to those in need, in particular the poor and the elderly.

PEER MINISTRY

Juniors and seniors are given the opportunity to minister to others in the school and the Akron community through the Peer Ministry program. A required training program helps students realize that they all share in the work of Christ through their ministry to others. The activities of the Peer Ministers may include counseling, retreat work, being Big Brothers/Big Sisters to new students, and doing community service through the Adopt-A-Family project, the Thanksgiving food drive, and other initiatives.

RETREAT POLICY

As a Christian school in the tradition of Catholic faith, service, and worship, St. Vincent-St. Mary High School endeavors to build its educational program in the light of the central values of the Gospel. The ultimate goal of our school is to facilitate growth in the spirit of Christ.

Our retreat program at STVM is designed to give our students the important experience of God necessary for a solid and fruitful spiritual formation in Catholic Christianity. The themes of each retreat address important and specific topics in adolescent spiritual formation, such as "Who am I in the eyes of God?", sexual morality, and God's boundless love.

We offer retreats for each grade level that are day-long, mandatory experiences led by our Peer Ministers. The freshmen day of reflection focuses on being confident in who you are and growing in faith at the school. The sophomore day centers on issues of self-esteem, friendship,

and relationships. The junior day is about justice and service. The senior day focuses on how students can take their faith with them after high school.

The junior retreat is an optional, overnight experience at Loyola of the Lakes Retreat House. This retreat helps students to take a closer look at God's involvement in their lives and how they can take more responsibility for their faith life. The format of the Senior Retreat is the "Kairos" retreat offered three times a year at Loyola of the Lakes Retreat Center.

Because of the importance of the retreat experience, students are excused from classes while attending retreat. They are given the opportunity of completing all work required during their absence from class and are not required to take tests on the day returning to class following an overnight retreat.

BIG BROTHER/BIG SISTER PROGRAM

This special division of the Peer Ministry program invites junior and senior students to apply for the opportunity of sponsoring an incoming freshman student into our school. In May, after a selection process, Big Brothers/Big Sisters are assigned names of incoming students. Big Brothers/Big Sisters contact the new students and arrange to assist them by answering any questions they may have about the school. On Freshman Orientation Day, the Big Brothers/Big Sisters escort the new freshmen to their classes, help them find their lockers, and take them to the bookstore. Throughout the year, contact with the Little Brother/Little Sister is maintained.

CHRISTIAN SERVICE PROGRAM

Each student at St. Vincent-St. Mary High School is required to donate 25 hours per year serving their neighbor in the following categories: Community, Church, Poor and Justice. This program has been initiated to help our school foster the practice of Jesus' teachings in Matthew 25: "whatsoever you do for the least of these that you have done for me."

ADOPT-A-FAMILY

Students work to collect goods and money to provide Christmas for needy area families. Moderators work with Peer Ministers who contact students in their home room to collect the food, money, and gifts. Students assist moderators in sorting out the gifts, wrapping the packages, and transporting and distributing the Christmas gifts to the adopted families.

FOOD DRIVE

Students at St. Vincent-St. Mary High School are asked to participate in a spirit of positive penance and sacrifice by bringing in food staples which are distributed to the poor through the St. Vincent DePaul Society at St. Vincent Church. It is our belief that such acts of penance and sacrifice can bring individuals into close union with the compassion of Jesus expressed in His own lifetime toward the poor and suffering.

ACADEMICS

GRADE REPORT CARD

Report cards showing grades, attendance record, and teacher comments will be emailed four (4) times a year. Parents and students are invited once a year to come to school between the hours of 3:15-5:00 p.m., and 6:00-8:00 p.m. to pick up their report cards and have immediate conferences with the teachers, Dean of Curriculum, and the Dean of Students regarding the progress of their student. See the school calendar for the date.

Report cards are mailed only to the “custodial” parent of each student. When designated by the custodial parent, reports will also be mailed to the non-custodial parent.

SEMESTER EXAMS/TESTING

Comprehensive examinations are to be given at the end of each semester for semester and year courses. Semester exams will be administered over a three-day schedule. Comprehensive semester examinations will determine 20% of the semester grade. **A semester exam grade alone cannot cause a student to pass the semester for a half credit if that student has failed both quarters of the semester.**

Honors courses are weighted $\frac{1}{2}$ point and AP courses are weighted a full point when calculating GPAs. No grades below a C- receive a weight.

MAKE-UP WORK

Upon an excused absence, the student is allowed one day for each day missed to gather make up work, complete it, and turn it in for full credit. After that time period, late work will be evaluated and graded by each teacher according to policies set by each department.

PRINCIPAL'S LIST, HONOR ROLL AND MERIT ROLL

Students earning a 4.0 for the semester will be named to the Principal's List. The grade point average necessary to achieve honor roll status is a minimum of 3.70. Merit roll students must achieve a minimum of 3.30 grade point average. Names of Honor Roll/Merit Roll Students will be posted prominently in the Student Center and on stvm.com at the end of each semester.

ACADEMIC AWARD LETTER

An Academic Letter will be awarded to individual students, thus making those students eligible to purchase a school letter jacket, plus have the letter placed on the front and Lamp of Learning on the back of the jacket.

Criteria for earning the "letter" are as follows:

- Students are eligible after their sophomore year.
- The student has received eight or more class/course academic awards in the Spring Academic Award presentations: this may be cumulative.
- Students must be in good standing with the Dean of Students in terms of discipline and attendance.
- The student must hold a cumulate grade point average of at least 3.3.

The certificate designating the award of an academic letter will be presented at a school assembly.

TRANSCRIPT INFORMATION

An official transcript is the document used by colleges, employers, or other referral agencies to evaluate a student's performance at St. Vincent-St. Mary High School. This transcript is a summary of semester grades, test scores and credits earned. Even though students receive quarterly report cards, credit for courses are indicated on the semester report cards only. Any credits earned during summer school or night school will be recorded on a student's final transcript. Unofficial transcripts may be obtained by a student through a request at the Records Office. An official transcript request requires documentation of the request and a notation on the transcript as to where and when it was sent. Transcripts will be released to students who transfer to another high school or to a college only if all financial obligations have been met.

Students that transfer to St. Vincent-St. Mary High School will receive credit for any classes taken at a public or private credited high school. Any credits earned during summer school or night school will also be accepted. Any credits earned through a home schooling program will be evaluated on an individual case-by-case basis.

Students below 9th grade who take advanced classes will be awarded credit as determined by the grade school transcript and teacher certification. Students will not receive credit for classes taken through a correspondence class or on the Internet.

COLLEGE CREDIT PLUS PROGRAM

The College Credit Plus Program has been established to permit high school students in grades nine through twelve to earn college and high school graduation credit through the successful completion of college courses. The program is intended to provide expanded opportunities for appropriately qualified high school students to experience coursework at the college or university level. Any high school student admitted to a course by an institution of higher education will be expected and required to perform at the same level as the institution's regular students.

High Schools continue to be responsible for providing and including Advanced Placement and other advanced level courses for their students. College courses should either contribute to or supplement the broad academic preparation needed by high school students. Credit for highly specialized content college courses generally should not substitute for important broader content college preparatory courses.

The student's core curriculum should be taken at STVM. Before registering for any university course, consult the Dean of Curriculum for guidance and approval.

Families are encouraged to visit the college website of choice to learn more about the admission and application guidelines for College Credit Plus students. Refer to the Course Description Booklet, page 42, to review guidelines about College Credit Plus specific to St. Vincent-St. Mary High School.

FAILURES

Students who have sufficient ability to pass a course, but are failing, are to be given an F. If a student fail two quarters in a semester, that student cannot pass the semester exam and receive a half credit for the course based solely on the final exam grade. When a student fails two or more semester courses, a student's transcript will be evaluated. If a student is not capable of the work required, the student may be academically dismissed from the school.

FAILED RELIGIOUS EDUCATION COURSES

Failed religious education courses must be made up during the regular school day prior to graduation. Failure to complete the required religious education requirements will prohibit a student from graduating from St. Vincent-St. Mary High School. If it is necessary to bump a course to fit the needed religion course into a student's schedule, it may at times become necessary for the student to attend either summer school or night school to make up the credits necessary for graduation.

CHEATING POLICY: HONOR CODE

Agreement: Students will be asked to sign the following Honor Code Agreement and be governed by it. Christian principles of personal integrity, responsible conduct, and respect for others are essential to the Gospel, which gives shape to our lives. This commitment to honor and integrity, shared by all students, helps to create a community whereby we might faithfully lead and serve our fellow human beings, according to the Gospel mandate in our school's mission. Since cheating is a fundamental moral wrong that demeans the personal integrity of each human being, every effort must be made to uphold the high standards for which St. Vincent-St. Mary High School standards. Cheating is considered to be any dishonest or deceptive act by which a student represents the labor or knowledge of another as his or her own.

Honor Code: On all my work my name verifies that I have neither given nor received unauthorized aid from any person or source, either directly or indirectly, on an examination, test, quiz, class assignment, research paper, project, and/or any other assignments specified by a teacher. This includes copying from resource material such as books, encyclopedias, Internet, etc. without proper documentation.

Penalties for violations of the Honor Code:

1. Zero percent (0%) for the work in question.
2. One to five (1-5) demerits issued by the teacher depending on the nature of the incident and the individual policy specified in the teacher's course syllabus.
3. The teacher will call the parent to inform them of the incident and the circumstances surrounding the incident.
4. An incident report will be forwarded to the parent/guardian with a copy placed in the student's permanent file.
5. If a student is involved in two (2) cheating incidents during the school year, the Dean of Curriculum will call a conference to be attended by the student, parents/guardian and teacher(s) involved. The Dean of Students may also be present for this conference, since a suspension and/or expulsion may result.

STUDY HALL

Study halls are scheduled throughout the day to assist students with their academic workloads. These study halls are held in the lecture room (256), the theater, a classroom, or the student center. Study hall rules and expectations will vary due to the environments of these three areas.

In each study hall, attendance will be taken for all students assigned. Students desiring to use the LRC or see a tutor must first notify the study hall moderator before being permitted to report to that particular area. As in any classroom, permission must be given before restroom privileges are assumed.

STUDY HALL – STUDENT CENTER:

Guidance counselors are available to assist students with their academic needs. Appointments with the Dean of Curriculum are also available to review a student's academic program. Because of the many changes in the process of applying to colleges and applying for scholarships, the above services are available to meet parent and student interest regarding academic scheduling.

COURSE DESCRIPTION BOOK

Each year a curriculum guide entitled "Course Description Book" is published online for the student's scheduling convenience. This booklet contains a listing of courses with course descriptions, any prerequisites needed, and if the course requires special scheduling needs. Each department lists its minimum requirements and its guidelines for choosing courses.

REGISTERING FOR CLASSES

In order to register for classes for the subsequent academic year, students are asked to attend an evening session with their parents to make their schedule for the following year.

SCHEDULE CHANGES

After conferencing with parents and/or teachers, a schedule change may be warranted. If possible, once this recommendation is made, the student's schedule will be adjusted to meet the necessary requirements for graduation.

A fee of \$50 covers the cost of any "drop" or "add." All changes must be made within the first seven (7) days of each semester.

ACADEMIC SUPPORT SYSTEMS

PARENT PLUS/STUDENT PLUS ONLINE PORTAL

St. Vincent-St. Mary High School has an interactive online learning system, Parent Plus/Student Plus online portal. This online portal, accessible through the www.stvm.com homepage is an easy way for you to keep up-to-date to check grades online, check on homework assignments and other materials teachers have posted, receive email alerts when new grades are posted, receive email with school or class information, view schedules and transcripts, and view discipline and attendance reports. Information regarding establishing portal accounts will be provided to parents of freshmen and new students via email in August before school starts. Freshmen will establish accounts when school begins. Returning students and their parents can continue to use the accounts they previously established. Students who have been or will be absent for any reason are responsible for accessing the portal for their assignments and not waiting until their return to school to see their teachers.

ACADEMIC PROGRESS

Parents have access to their child's grades 24 hours a day, 7 days a week. Each week teachers post their grades on the ParentPlus/StudentPlus portal. Parents can check on their son/daughter at any time by logging into this site. Teachers use this portal as the means of communicating academic progress to students and parents. It is the parent's responsibility to check the ParentPlus portal frequently to monitor their child's academic performance. Teachers will update student progress once each week. Also, teachers post their homework weekly on the web site www.stvm.com

ACADEMIC CONTRACTS

Freshmen will begin their academic year with a clean slate. Their freshman year will be considered a probationary year.

- At the end of the first semester, any student with a GPA below 1.5 will be told that unless he/she raises that GPA above a 1.5 by the end of the freshman year, the student will be put on an academic contract for the sophomore year. Parents will be sent a letter outlining the policy.
- At the end of the freshman year, any student with a GPA below 1.5 for the year will be informed that he/she will be placed on an academic contract for the sophomore year.
- After signing the contract in August, the progress of each student will be monitored using our academic probation system. At the end of the first semester, if the student has a 1.5 or below, he/she will be warned that if the GPA remains below a 1.5, the student may be asked to leave our school at the end of the sophomore year. Parents again will be notified of the possibility of this consequence.
- At the end of the sophomore year, if the GPA is still below a 1.5, the student will be asked to leave.
- All GPA's will be cumulative.

- The STVM Administration reserves the right to put any student on an academic contract

PARENT/TEACHER CONFERENCES

Student academic performance is enhanced when the student is fully aware that parents and teachers are in agreement in areas of classroom expectations, academic abilities and potential, and student performance.

Parents and teachers can confer on a student's progress through e-mail, telephone conversations, conferences between parents and individual subject teachers, or a conference of all teachers with the student and his/her parents.

ATTENDANCE

Direct Call Line to Attendance Office: 330-253-9116

By law, St. Vincent-St. Mary High School keeps daily attendance records on all students. These records are not only important to help the school account for the student's daily participation in the school's class program, but they are also necessary to obtain financial aid from the State of Ohio. This aid amounts to a percentage of the school's annual operating budget. Students' attendance is noted on their report card and permanent record.

Any deliveries for students whether by parent or vendors will remain in the Main Office and given to the student at an appropriate time by school personnel.

ATTENDANCE AT CLASS

1. Attendance will be taken at the beginning of every class period, reported to the office, and recorded by the teacher.
2. Students are expected to attend all classes and to be present at assigned study halls and in the Student Center at lunch.
3. Students MAY NOT excuse themselves from class, study halls, or lunch.
4. Students MAY NOT leave the school building during the school day unless they have a written request or a phone call from their parent or guardian which is approved by the Attendance Office, or permission from the Dean of Students to go to and return from the parking lot.

PROCEDURE TO BE FOLLOWED IN CASE OF ABSENCE

1. The parent or guardian of a student who will be absent from school must call the school office (330-253-9116) between 7:30 a.m. and 9:00 a.m. to explain the student's absence each day of absence. No e-mails are accepted for attendance issues.
2. A medical excuse with doctor's signature is needed if a student misses FIVE or more days consecutively. These written excuses are necessary even though the parent or guardian has called the office to inform the school of the absence.

3. Failure in a semester class may occur as a result of excessive undocumented absences.
4. In the case of a student being absent and the school not being notified by the parent/guardian, the attendance secretary will try to contact parents by phone.
5. When a student will miss part of the school day because of a doctor's appointment, the parent/guardian should call the school between 7:30 a.m. and 9:00 a.m to notify the attendance secretary of the student's late admission. If a student needs an early dismissal from classes for a doctor's appointment, a parental note must be handed into the office before second period. No student will be dismissed from school without a note (or phone call in case of a last minute doctor's appointment) received prior to the student's time of dismissal.

2. Death or critical illness in the immediate family
3. Dentist, doctor, specialist appointment

If it is necessary to make appointments in conflict with the school day, students should bring in a parental letter with the name of the doctor and the time of the appointment listed. When leaving or returning to school during the school day, the student must report to the attendance office to sign in and/or sign out.

GENERAL SCHOOL AND DIOCESAN POLICIES

ABORTION POLICY

The Roman Catholic Church expresses in all of its teaching an unequivocal stance of life. Church teachings stress that each human life is a creation of God and that the conception of life should be sacred.

Should a student conceive life, counseling and other support services will be offered by the school to assist the individual in keeping the baby full term.

To deliberately terminate life through abortion is viewed by the Church as more serious an offense against God than a mortal sin. Students who conceive life and choose to terminate life will be expelled from St. Vincent-St. Mary High School.

AIDS POLICY

In line with the Church's teachings that we respond according to the wishes of the compassionate Jesus, St. Vincent-St. Mary High School will maintain a policy of dignity and non-discrimination towards all.

Individuals with Acquired Immune Deficiency Syndrome (AIDS) enrolled or seeking enrollment at St. Vincent-St. Mary High School shall be permitted to attend school in a regular setting provided:

- Parents and guardians have the obligation to report to the school Principal when a child has been diagnosed as having AIDS, ARC (Aids Related Complex or Condition), or any other illness caused by HIV (Human Immune Deficiency Virus).
- The health of the student as documented by his/her physician allows for full participation in regular academic and school-related activities.
- The student behaves in a manner that would not cause the spread of the disease or put other students at risk.
- The student does not have open sores, skin eruptions, or any other conditions which prevent control of his/her bodily secretions.
- Periodic evaluation of the student's physical condition is documented by the physician.
- In order to protect confidentiality, when a student with AIDS is admitted to St. Vincent-St. Mary High School, personnel will be made aware of the student's condition on a "need to know" basis.

CHEMICAL ABUSE POLICY

St. Vincent-St. Mary High School has formulated its Chemical Abuse Policy on the realization that chemical use and abuse among teenagers is a serious and dangerous matter. Chemical dependency, in the form of drug or alcohol dependency, is a disease that can lead to the loss of self-esteem, physical ailments, irresponsible use of vehicles, and potential death due to overdose

or poisoning. Therefore, the policy at St. Vincent-St. Mary High School is aimed at education, awareness, prevention, intervention, and support of the recovering dependent person.

Each case of chemical or alcohol use or abuse will be handled on an individual basis. Students found using, possessing, transferring, selling, buying, or under the influence of drugs or alcohol or attempting to use, possess, transfer, sell, buy or conceal alcoholic beverages, drugs, or drug paraphernalia, may be asked to withdraw from St. Vincent-St. Mary High School.

This policy applies to any conduct on or off school grounds, prior to, during, or immediately after the school day or on school grounds at any other time when the school is being used by a group, during extra-curricular school-sponsored activities, or other school-related events or activities.

If a student arrives to a school-sponsored event showing evidence of drug or chemical use prior to the event, the parent or guardian will be called and the student will not be permitted to remain at the event or school-sponsored activity. School disciplinary actions and procedures will be enacted.

School discipline policies will also be enacted if a student engages in any activity at school, or school-sponsored events on or off the school grounds. If a student is involved in an activity using any counterfeit or “look-alike” substances, the consequences will be administered the same as for actual chemical use.

Consequences related to participation in chemical use or abuse may range from a five-day out-of-school suspension to expulsion, depending on the circumstances involved. A parent conference and mandatory drug testing within 24 hours of said conference is required. Additional Consequences - if the STVM student is not expelled, there will be an immediate dismissal from all extra-curricular activities for a period of up to one year. This applies to Athletic Teams, school clubs and organizations, Drama productions, school-sponsored trips and social events, and all leadership positions.

NON-DISCRIMINATION AND ANTI-HARASSMENT POLICY

"Made in the Image and Likeness of God"

St. Vincent-St. Mary High School teaches the belief in the sanctity of human life and the inherent dignity of the human person. The school seeks to create and foster a school community in which all individuals are treated with dignity, integrity, and respect. And in light of this, every person has a human dignity which St. Vincent - St. Mary High School is committed to enhance and protect. We believe that all individuals are "created in the image and likeness of God." For these reasons, the St. Vincent - St. Mary High School community is one in which all faculty, students, and staff are entitled to pursue their fullest intellectual, social, spiritual, emotional, and physical potential. Harassment of any kind interferes with this development and, therefore, will not be tolerated.

Harassment occurs when an individual is intimidated, teased, bullied, threatened, or discriminated against because of race, religion, age, gender, physical appearance, disabilities, socioeconomic status, or sexual orientation. Harassment creates an offensive, hostile, and intimidating environment. Examples of harassing behavior include, but are not limited to, the following:

- Verbal Harassment: Derogatory or demeaning comments, jokes, threatening or intimidating words spoken to or about another person or group.
- Electronic Harassment: In accordance with House Bill 276, any electronically transmitted acts. i.e., internet, cell phone, or wireless hand-held device by a student or group of students toward another student or students.

- **Physical Harassment:** Unwanted physical contact, touch, impedance, blocking movements, assault, hazing or any intimidating interference with normal activity or movement.
- **Visual Harassment:** Derogatory, demeaning or inflammatory drawings, written words, cartoons, posters, gestures or altered photographs physically produced or posted.
- **Sexual Harassment:** Unwelcome insults and other verbal or physical conduct of a sexual nature.

Our school will treat allegations of harassment seriously and will review and investigate such allegations in a prompt and thorough manner maintaining confidentiality as much as possible. All staff members are responsible for documenting and reporting any bullying/harassment/intimidation behavior that is witnessed or is reported to them. Reports should be submitted to a school counselor or to the Dean of Students. Students who have witnessed or experienced such behavior should also file a report. Report forms are available in the Counselor's office, in the faculty room, and online on the STVM web site [under forms]. Once a report is given to a school counselor or the Dean of Students, it has to be investigated. The school counselor will determine if the situation is one of conflict or one of harassment. If it is a conflict, the school counselor will handle the resolution. If it is determined to be one of harassment, the Dean of Students will handle the investigation. The Dean will talk to all parties involved separately and make a decision as to whether the behavior is substantiated or not. If substantiated, consequences or disciplinary measures will then be determined.

As members of the St. Vincent - St. Mary High School family, we trust that you will embrace and practice these principles.

TUITION ASSISTANCE OR SCHOLARSHIP MAINTENANCE

Academic eligibility as measured by grade point average is a minimum requirement in order to maintain academic scholarship and/or tuition assistance.

A grade point average of 3.0 is required both cumulative and from one quarter to the next throughout the entire school year in order for a student to maintain eligibility for an academic scholarship. Likewise, tuition assistance is awarded to students who demonstrate need through the PSAS format, but academic eligibility must be maintained at a 2.0 grade point average both cumulative and each quarter of the school year.

Scholarships and tuition assistance are awarded for each new school year, and academic eligibility will be taken into consideration as much as all the other factors. Any student who is experiencing difficulty in maintaining this minimum academic grade point average should take full advantage of the tutors who are available in the various academic areas. With this notice included in the parent/student handbook and with grades reported periodically to parents throughout the school year, no additional communication with regard to this eligibility will be necessary.

TUITION DELINQUENCY

1. Accounts which are not paid on the date due shall be considered delinquent.
2. All prior tuition must be paid, before a student is accepted back into school for the next school year.

 - Checks returned to the school for insufficient funds (NSF). If two NSF checks occur within one school year, the school has the right to request cash or money order payments only.
 - Late payments on any of the three payment plans.
7. An academic hold will be placed on any account that is two months in arrears. All report cards, class schedules, course credits, and transcripts will be withheld until the account is made current. Any account that remains in arrears beyond three months can subject the student to immediate dismissal.
8. It is further agreed that the signed Reservation and Tuition Agreement is irrevocable unless written notice of cancellation is received at the Business Office prior to June 1, 2016. Parents or guardians financially responsible for students are obligated to pay the full tuition and other charges. CODE OF CONDUCT

Students who attend St. Vincent-St. Mary High School become a part of a community that strives to model Christian principles inspired by the Catholic tradition, which embraces the Gospel vision and embodies personal integrity. This atmosphere requires self-discipline, self-motivation, mutual respect, social responsibility, courtesy, and thoughtfulness. Thus, all who attend or work here will find a safe, positive Christian environment in which to work and learn. Actions which defeat this purpose will not be tolerated.

CLASSROOM BEHAVIOR

Students are to use classroom time productively. They are expected to listen to teacher instructions and directions, contribute to a learning environment, and abide by all classroom rules as designated by the individual classroom teacher. Non-productive classroom behavior will be handled in the following manner:

1. Verbal reprimand from teacher
2. Conference between teacher and student with a written summary put in student's file
3. Telephone call or e-mail to parents summarized and put in student's file
4. Teacher-issued demerit (The teacher will notify the parent via a phone conversation for most multiple-demerit offenses)
5. Conference with the Dean of Students
6. Parent/teacher/Dean of Students/student conference
7. Initiation of a process to permanently remove student from class
8. Removal from class - student receives an automatic "F"

GENERAL BEHAVIOR

In addition to the classroom behavior rules and regulations as defined above, the students' general behavior when attending any school function at the school or away from the school will be observed and evaluated by the faculty and administration to ensure a well-disciplined school atmosphere in accordance with Christian principles.

DEMERIT SYSTEM

At St. Vincent-St. Mary High School, a demerit system is used to measure a student's compliance and conformity with the policies and procedures necessary for a Christian community and an excellent academic environment. A demerit is a measure of misconduct by a student which results in establishing a record of violations to the Code of Conduct.

DETENTIONS

For each demerit issued, a detention will also be served within three (3) days of issuance of the demerit. The number of demerits will increase if not served in this time. If the student fails to serve the detentions, suspension will take place. All detentions are served from 3:10 to 3:45 p.m. each day in Room 147.

Individual student's behavioral records are available on "Parent/Student Online Portal" along with the grades anytime. The number of demerits received will be shown on the screen. Detailed explanations for the demerits can be received from the issuing teacher via email. A more general explanation can be obtained from the Dean of Students or the Assistant Dean of Students by phone.

A student who violates the discipline standards will receive demerits in weighted proportion to the seriousness of the offense against Catholic values. The accumulated demerits will result in conferencing with his/her teacher, parent(s)/guardian(s), and the Dean of Students. Within this conferencing context, the student will be made aware of the discipline infraction(s), the consequences of the emerging negative pattern of behavior, and then be provided with guidelines for altering his/her behavior in accordance with the standards of the school. Detentions are not appealable.

The following procedure will be followed when a student accumulates demerits:

5 Demerits: Parents will receive a letter via email alerting them of a potential discipline problem. It is suggested that parents and students discuss the school behavior and be proactive in determining the resolutions needed to resolve this problem and aid the student in his/her academic success.

10 Demerits: A student will be placed on "disciplinary probation" for the remainder of the school year. "Disciplinary Probation" is a period of time during which a student's behavior is subject to constant and continuous observation and evaluation to determine the advisability of the student remaining at St. Vincent-St. Mary High School. A student who continues to violate a number of disciplinary rules may be dismissed from the school. Parents will receive a letter via email and will be required to sign a contract acknowledging the terms of the student's probation.

15 Demerits: A student will receive a 3 day out-of-school suspension (See the "suspension" section of this handbook for more details)

20 Demerits: A student will be recommended for permanent dismissal.

THREATS POLICY

It is the responsibility of the administration, teachers, and staff to ensure the safety of all in the school or on school grounds or while participating in a school-sponsored activity. Any threat of harm to any person either in writing, verbal or physical will be dealt with immediately and appropriately.

Such action may include notification of parents, suspension, dismissal, expulsion, notification of local law enforcement officials, psychological/psychiatric evaluation, counseling, or other actions deemed necessary.

Because a behavior is not itemized individually in the above list, does not mean that it cannot be addressed nor is it exempt from disciplinary action. Referrals may be made to the School Disciplinary Committee for any infraction by any individual.

SOCIAL MEDIA POLICY

Saint Vincent-Saint Mary families bear responsibility for the same guidance of Internet use as they exercise with other informational resources. Parents should be aware of their student’s Internet history, the web sites that he/she visits, the social media he/she uses (Twitter, Instagram, Snap Chat, etc.), and the apps that he/she has downloaded; they should be aware of the digital footprint that is being left behind by their child. It is the goal of Saint Vincent-Saint Mary High School and its employees to work alongside parents and students when it comes to social media behavior.

Although, all students have the right to use social media. Students may still be in violation of the STVM Student Code of Conduct when their post:

- Threatens/assaults/maligns another member of the STVM community
- Is in conflict with the STVM core values
- Is in conflict of the reasonable rights of others
- Uses defamatory comments or images regarding the school

Saint Vincent-Saint Mary High School does not actively monitor personal social media sites such as Twitter, Instagram, Snap Chat, etc. However, when the administration learns of

inappropriate postings, the school will exercise every disciplinary and legal measure it deems appropriate including suspension and dismissal of the student(s) involved.

Some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. Any inappropriate posting to any social network, whether school related or not, may result in disciplinary action against the student.

Students in violation of this STVM's Social Media policy may be subject to disciplinary action.

The following steps may be taken, if the policy is violated:

- Immediate removal of any and all posts in question.
- Consequences consistent with our Student Code of Conduct including but not limited to demerits, suspension, or dismissal.
- Criminal prosecution.

*** The school administration has sole discretion in determining the propriety of any posting as it pertains to our school mission***

It is the full understanding of STVM that the digital world is ever-growing and increasingly difficult to manage. However, the student is responsible for his or her actions online particularly when the student identifies themselves as part of the STVM community in their social media profile. Students should not have any personal interaction with any adult member of the STVM community on social media. Students may not post audio, video, photographs or other representations of STVM activities or other members of the STVM community without the written consent of Saint Vincent-Saint Mary High School. This policy encompasses on-and-off campus activity.

SUSPENSIONS

A suspension means the student is charged with an absence from each class session missed. All suspensions will be served out of school. A student is expected and able to make up all missed work upon their return to school. The student shall make up the work within the same time period as the suspension period. (Example: A student that is suspended for 5 days will have 5 school days to complete the missed work.) A student may contact their teachers for missed work via email during their suspension, but it is at the teachers' discretion to give the student the missed work or wait till they return from their suspension. The student shall receive a maximum score of 60% on any work missed during the suspension. However, if the graded work results in a grade of less than 60%, that grade is earned and posted. (Example: If a student makes up a test and scores a 35%, that grade is earned and will not be raised to 60%. However, if a student earns an 85%, the grade will post as a 60%.) In addition, a loss of eligibility to participate in athletics and any extra-curricular activities is effective during the entire length of the suspension.

APPEAL PROCESS

After the Dean of Students and/or the Principal renders a decision with regard to a suspension or expulsion, the parents or guardian of the student has the right to request a review by the President within 24 hours (72 hours if the decision is made on a Friday). The request shall be made by the parent. Neither the parents nor student is entitled to legal representation at the appeal hearing.

CLINIC/STUDENT HEALTH

CLINIC

A nurse or health aide is responsible for the school health program and will be in the building every day. In the absence of the school nurse or health aide, the office secretary will arrange for care of students with emergency health needs. Students who become ill or injured during the school day must report to the clinic.

Students who are ill and need to go to the clinic must follow the procedure listed below:

1. Students who become ill while in study hall must obtain a note from the supervisor to go to the clinic.
2. Students with classes must report to class first and their respective teachers will issue a pass to the clinic.
3. Students will not be permitted to stay in the clinic for more than 20 minutes. If they are too ill to remain in school, parents or guardians will be contacted and they will be sent home. Otherwise, the student will be sent back to class.
4. In either case, parental contact will be made informing them of the student's admittance to the school clinic.
5. No loitering will be permitted in the clinic at any time.

MEDICAL EMERGENCY FORMS

In order to insure proper medical attention for your son/daughter in light of a medical emergency, St. Vincent-St. Mary High School requires every student to submit a medical emergency form to be filled out by the parents during the first week of school.

MEDICATION POLICY

Generally speaking, the administering of oral medication to students by the Dean of Students, school nurse, aide, teachers, or office personnel is not permitted. In case of absolute necessity, the following requirements must be met:

1. A physician's request form, which can be obtained from the office, must be filled out by the doctor, stating the name of the medication, the amount of dosage to be given, and the time it is to be administered.

3. Students, not the teacher or a staff member, must assume the responsibility for taking medication at the proper time.
4. Medicine must be sent to school in the original bottle obtained from the pharmacy.

ILLNESS OR DEATH IN A FAMILY

In order to provide spiritual and personal support for students at the time of family illness or death, we ask that students, family members, or friends of students communicate these circumstances to the administration or Campus Minister. While "confidentiality" will certainly be respected, the school would not want to miss the opportunity to provide personal care and assurance at these critical times.

EXTRACURRICULAR ACTIVITIES

GUIDELINES FOR PARTICIPATION

Participation in extracurricular activities is considered an opportunity for students to apply academic skills to clubs or groups which service the St. Vincent-St. Mary High School community. Student participation or eligibility is based on academic competencies and the student's willingness to give of his/her individual talents, time, and service.

POLICY FOR GRADE POINT AVERAGE ELIGIBILITY

All students participating in extracurricular activities, including athletics, will be required to maintain a 2.00 GPA for each grading period. Students who fall below the 2.00 GPA requirement, earning a 1.50 to a 1.99 GPA, will be placed on academic probation. During this probationary period, these students remain eligible for extracurricular activities if they attend the required remediation sessions. Students who fall below a 1.50 GPA are ineligible for extracurricular activities.

Students may still practice and attend events as a member of a team or club provided the following criteria are met:

1. Students must be invited by the coach/advisor to participate.
2. Students must be passing all classes.
3. Students must have a GPA of 2.00 or higher on a weekly basis during the current quarter.
4. Students must turn in all assignments in all classes.
5. Students must attend weekly tutoring sessions as assigned.
6. Students failing to attend the mandatory tutoring sessions will receive demerits.
7. Students must not receive any demerits.

The above criteria will be monitored and determination regarding eligibility to participate in practices will be decided on a week-to-week basis.

The OHSAA states that a student must pass five one-credit courses fourth quarter in order to be eligible to play Fall Sports in the next school year.

ATTENDANCE ON PERFORMANCE/EVENT DAYS

In order for a student to participate in any public event related to an extra-curricular, the student must be present for at least a half day. A half day is defined as being present from first period to the end of fourth period or being present from the beginning of fifth period to the end of the school day.

STUDENT LEADERSHIP

To encourage student leadership, moderators seek students to become officers in clubs and organizations, assisting them in developing their potential through assignments and encouraging them to run for higher levels of leadership and responsibility within the school community.

However, in an effort to enable as many students as possible to have opportunities for leadership roles and to ensure that those students who are elected or appointed to leadership roles have the time to fulfill the responsibilities in those organizations, the following policy is established. A student may be a “president” or its equivalent (editor, board chairperson, etc.) in no more than two school clubs or organizations. A student may be an officer (board member, class representative, etc.) in no more than four school clubs or organizations. In the event a student is elected/appointed to more than two “presidencies” or more than four “officer” positions, the student must make choices regarding leadership positions he/she will hold to be in compliance with the policy.

In the beginning of each school year, the school’s Leadership Team shall request of every organization/club a list of its officers/leaders. It shall be the job of the Leadership Team to ensure compliance with the policy, notifying any organizations of changes that need to be made.

LEADERSHIP TEAM

The Leadership Team shall be comprised of the Principal, the Dean of Students, the Campus Minister, the Athletic Director, the NCA/OCSAA coordinator, the Student Council Advisor, and

members of the Student Council. It shall meet once a week during homeroom to review the calendar and discuss plans for events. Furthermore, when events are being planned by the officers of a particular class, the class advisor of that class will also be invited to attend the weekly meeting to ensure communication among student council, class officers, and class advisors.

The Leadership Team will also host a “Leadership Forum” once each quarter. The forum, probably 1-2 periods (rotating throughout the year), would bring together the Leadership Team and the presidents (or their equivalents) of all student organizations or clubs (and advisors if possible).

Leaders will share with each other the kinds of activities, events, fundraising, etc. their groups are engaging in, especially if they need school-wide support. Leaders will be asked to submit to the Leadership Team an overview of their planned activities for the quarter (a form will be designed and provided for each group). This process should reduce calendaring conflicts. If fundraising and/or building use is involved, leaders and advisors must still make sure that their group completes the appropriate fundraising forms (to Development Office) and building use forms (to Principal’s Office).

The team meets on a weekly basis (usually right after school) to practice questions and then travels to surrounding high schools to compete throughout the school year.

BAND

Students have an opportunity to display Irish spirit by taking part in many instrumental classes. If a student is a beginner or would like to learn to play an instrument, or to be a member of the concert band or wind ensemble, classes are available. If a student already knows how to play an instrument, marching band is recommended. The Irish Band plays at all football games.

BOOK CLUB

Open to all students who enjoy reading for pleasure. The club meets once a month after school to discuss a book that is collectively selected by the members. The discussions are casual and inclusive.

BOOSTER CLUB (STUDENT)

The purpose of this club is to help increase school spirit as it relates to ALL school sports. The club accomplishes this by helping with Pep Assemblies when asked; painting signs for display in the school to encourage success by individuals and teams; and providing small tokens of support to those teams and individuals during the season. The desire to support an increase in school spirit is the only prerequisite for participation in this club. It is open to all students. There are no dues. The Student Booster Club does sponsor several small fundraisers during the year to help raise money for supplies such as paper, paint and brushes. We try to meet once a week after school to plan for the sports activities for the coming week.

CHESS CLUB

The Chess Club meets weekly after school. Members practice chess and learn new strategies and tactics to improve their chess skills. Members also have the opportunity to compete in local tournaments, however participation is not a requirement for membership.

CREATIVE WRITING CLUB/POWER OF THE PEN

Creative Writing Club meets once a week before school so that students who are interested in writing and sharing their work can get constructive feedback from like-minded peers.

AN IRISH BLESSING

May the road rise to meet you,
May the wind be always at your back,
May the sun shine warm upon your face,
The rains fall soft upon your fields and,
Until we meet again,
May God hold you in the palm of His hand.
